Dear Mr. Brady:

Congratulations on your excellent management of Dearborn County's Special Collection Day in November 2001. Please extend our thanks to each member of your staff for his or her help in achieving this success.

The Board and staff of the Dearborn County Solid Waste Management District were very pleased with the professionalism that you and your staff displayed the day of our event. We were very impressed with your extensive planning, organization on-site and the efficiency with which the job was done. Especially commendable was your concern for the safety of all concerned, the residents, our volunteers, and your staff, as well as your concern for the protection of the site.

It was a real pleasure working with you and I would be happy to recommend your company to others undertaking a similar event.

Sincerely,

Barbara J. Ault
Director
