Mr. Mike Brady
c/o IN-TECH
6012 Maxwell Avenue
Evansville, IN 47715

Dear Mike:

Thank you for your assistance last week with our hazardous waste and such. I know you went the extra mile for us, and made the process much easier than it otherwise would have been.

Here is a copy of the invoice I received today. I called and spoke with Randy, and he confirmed that the check was received today for the full amount.
